PRODUCT NUMBER DESCRIPTION

3300 PREMIUM SOLVENT GUN CLEANER Aerosol 20 fl. oz

DESCRIPTION:

#3300 is a heavy-duty aerosol solvent that quickly cleans spray equipment and aerosol spray tips. Perfect for also removing grease, adhesives, dirt, grime and paint overspray.

UNIQUE FEATURES:

NEW SPRAY TECHNOLOGY - INVERT CAN (NOT GUN) TO CLEAN

One easy *Quick Clean* step! Save time and product with our revolutionary system.

- *Innovative assembly inverts can for cleaning paint guns!*
- Removes adhesives, grease, and paint overspray from external paint gun and external metal surfaces
- High strength virgin solvent blend
- Non-chlorinated
- Quick action formulation

SUITABLE SUBSTRATES

- Spray equipment; paint guns
- Aerosol spray tips

TYPICAL PROPERTIES

Part:	Product Name:	Color:	Container:
3300	Premium Solvent Gun Cleaner Aerosol	Clear/Opaque	20 fl oz.

Regulatory VOC:	4.58 #/gl (550.6 g/L)
Actual VOC:	Premium Solvent Gun Cleaner is conditionally exempt per SCAQMD rule 1171. Check local regulations for VOC limits and exemptions.

HANDLING AND APPLICATION

GENERAL APPLICATION

Apply **#3300** liberally to a clean, soft, lint free cloth and wipe surface to be cleaned. DO NOT leave solvent cloth on plastic or painted surface.

Note:

#3300 is not recommended for use on plastic or painted surfaces as it may soften and discolor the substrate.

SPRAY GUN

WHILE SQUEEZING THE TRIGGER of the paint spray gun, position the **#3300** can upside down while compressing the can into the fluid intake orifice of a paint spray gun. A steady (sealed) stream of cleaner and paint should emit from the paint gun nozzle.

AEROSOL SPRAY TIP

For cleaning clogged tips, remove spray button with a twisting motion and gently attach clogged tip to **#3300**. Since an "upside down valve" is used in our **Premium Solvent Gun Cleaner**, the can must be inverted to insure product flow through the aerosol spray tip once depressed. Do not stick a pin or other object into can. Gently replace cleaned spray tip to the top of can with spray button pointed away from you.

STORAGE:

#3300 should be stored in a cool, dry place with adequate ventilation away from heat, sparks and flames. The shelf life is 5 years when stored under normal conditions.

SAFETY INFORMATION - FOR INDUSTRY USE ONLY

Danger: Vapor harmful. May affect the brain or nervous system causing dizziness, headache, or nausea. May cause eye, skin, nose, and throat irritation. Harmful if swallowed. **Precautions:** Vapors may ignite explosively. Keep away from heat, sparks, and flame. Vapors may cause flash fire. Do not smoke. Extinguish all flames and pilot lights, and turn off stoves, heaters, electric motors and other sources of ignition during use and until all vapors are gone. Prevent buildup of vapors by opening all windows and doors to achieve cross-ventilation. **Use only with adequate ventilation.** Do not breathe vapor or spray mist. Do not get in eyes, on skin or clothing. Wash thoroughly after handling. Wear solvent resistant gloves. The material is designed for application only by professionally trained personnel using proper equipment under controlled conditions, and is not intended for sale to the general public.
