# **MULTI PURPOS GUN CLEANER Solvent & Waterborne Coatings**

A heavy-duty cleaner that guickly removes solvent-based and waterborne coatings from spray equipment. #3302 is great for also removing grease, adhesives, dirt, grime, and paint overspray. Multi-Purpose cleaner minimizes products needed in shop!

## **NEW SPRAY TECHNOLOGY** Invert Can (Not Gun) to Clean!

### **UNIQUE FEATURES:**

One easy Quick Clean step! Save time and product with our revolutionary system.

- Innovative assembly inverts can for cleaning paint guns.
- Removes adhesives, grease, solvent-based and waterborne paint overspray from external paint gun and internal metal surfaces along with fisheye-causing contaminants.
- Does not contain chlorinated solvents. 100% virgin solvent formula.
- Quick action formulation. Safe for waterborne shops. Ð
- 50 state compliant when product is injected directly (<del>†</del>) into spray gun. Not atomized.
