

5 STAR XTREME

Technical Data and Product Features/Application June 2012

5994 | Hand Cleaner (16.9 fl. oz./500 ml.)

5995 | Hand Cleaner (.66 gal./2.5 liter)

5996 | Reusable Hand Pump for #5995 Hand Cleaner

5 STAR XTREME Anti-Bacterial Hand Cleaner removes Epoxy, Urethane, Polyester Fillers, Paint, and Grease without having to dry your hands (waterless). Our scientifically formulated hand cleaner contains aloe vera, lanolin, and glycerin to help keep your hands from drying out while cleaning. We have also added pumice scrubbers to help remove stubborn stains safely.

FEATURES:

- *Easy to apply to hands*
- *Cleans without drying hands*
- *Contains aloe vera, lanolin, and glycerin*
- *Contains pumice scrubbers to help with the stubborn stains*
- *Anti-Bacterial Hand Cleaner*
- *Removes - Epoxy, Urethane, Polyester Fillers, Paint and Grease*
- *Waterless*

APPLICATION DIRECTIONS: Use waterless. Apply directly onto hands and work until cream is liquefied and stains are dissolved. Wipe dry with a clean cloth. Additional applications may be necessary.
