

5 STAR ADVANTAGE AUTOBODY PRODUCTS®
TECHNICAL DATA INFORMATION
DATED: MARCH 2024

PRODUCT DESCRIPTION:

5 STAR ADVANTAGE Autobody Products® has been a LEADER in exceptional finishes for over 30 years!

#5820 In-Booth Wipe is the **5 STAR** choice for in the booth cleaning operations. These premium performers are non-woven hydro entangled and do not contain glues binders or chemicals that can contaminate the very surfaces you're preparing for refinish.

5 STAR ADVANTAGE #5820 is designed for use with both water-borne and solvent-borne cleaning solutions which means they are safe for any refinish cleaning process, their precise cut interfold design leaves no trailing fibers and are virtually lint free. With a purpose-engineered texture and durable absorbent material that truly absorbs, #5820 removes contaminants and delivers faster more efficient booth operations.
